

# LUCAS OIL

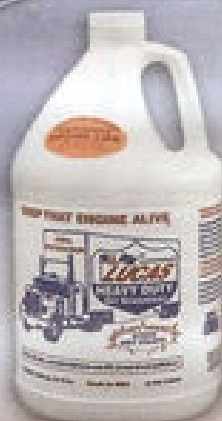

**Got Methanol? We Got the Answer!**

## HIGH PERFORMANCE SAE 50 PLUS MOTOR OIL

- True racing oil formulas that last up to 12,000 miles or more in every-day cars and trucks
- Guarantees lower oil temperature for longer oil life and less metal fatigue

## HEAVY DUTY OIL STABILIZER

- 100% PETROLEUM
- Blends with all petroleum and synthetic oils
- Extends oil life by at least 50%
- Eliminates dry starts and resists thermal breakdown for total engine protection
- A multi-purpose lubricant for use in ALL engines, gear boxes and transmissions
- Reduces noise & heat in transmissions, differentials and transfer cases
